Task 3

Questions 11-15

Read about Mark Garrick. For questions **11-15**, complete the form with **one** or **two** words.
Write your answer **only** here in this exam booklet.
There is an example at the beginning (**0**).

Meet Mark Garrick

For six years Mark Garrick, 24, was the lead guitar in a little known metal band. But a year ago when the group split up, Mark decided to start his own band. He's now a successful musician who writes all his songs.

Although a celebrity, Mark is a very simple young man. When he is in London he stays at a modest hotel in Notting Hill and travels by tube. He spends most of his time in a cottage in Appleby in the Lake District. "It's really small. But it's all I need, because the recording studio where I work is nearby."

He was brought up in the centre of Birmingham, where his family has always lived. "I've always wanted to live in the country," Mark says. "I often get home and I'm out in the garden with my shovel planting daffodils or something. I have other interests too, like painting and sculpting, but gardening is all I have time for."

Mark says he would like to have a Labrador. "I love animals, but a dog needs exercise and long walks and you can't play with a bird or a fish, so I decided on a cat. My neighbours often have to feed her when I work late."

Mark is working on his second album 'Green Love'. "'Green Man' was immediately a success, but I'm a bit worried about the new one. I've finished three songs and 'Nelly' is my favourite," says Mark.
