Task 3

Questions 11-15

Read about Tanya Parker.

For questions **11-15**, complete the form with **one** word or number in each space.

Write your answer **only** here in this exam booklet.

There is an example at the beginning (**0**).

Meet Tanya Parker

Tanya Parker is one of many thousands of 20-30 year-olds who left school or university and cannot find a steady job.

"I've tried everything," says Tanya, "from working in a warehouse to telephone marketing, but these jobs never last long. At the moment, I'm a waitress in a coffee shop, but it's sure to end soon."

Tanya lives in London and has no intention of moving. "I'm a Londoner. I've been in London for as long as I can remember. My parents moved here from Manchester when I was born. Anyway, the situation is even worse outside London."

She lives in a shared flat near the Chelsea football ground. "We used to live near the Fulham football ground, and my dad used to take me to matches regularly. But now I live in Chelsea, so they have become my local team. But in my heart, I'll always be a Fulham fan."

Tanya's mother tells her to marry and become a housewife. "She sees this as a way out for me," says Tanya, "but I think twenty-five is too young. I like the single life. Maybe when I'm thirty I'll feel different."

Tanya goes to work by bike. "It's so much faster – and cheaper – than public transport. And it's good for you. I love this daily workout. My real pleasure, though, is singing – I sing in a local amateur choir and we rehearse once a week and sometimes have public performances. It takes me away from the problems I face daily."

- 11** Age: _____
- 12** Place of birth: _____
