Mark your answer on the answer sheet.

**6** Hi  
Have you met the new girl, Martha?  
She certainly has a strange sense  
of humour, at least as far as I'm  
concerned. She thinks she's smart,  
but she doesn't say much and mostly  
keeps to herself. What do you think?  
Alice

What does Alice think of Martha?

- A** She's funny.
- B** She's smart.
- C** She's reserved.

**7** Hi  
I'm moving next week. It's a pity  
because I really liked my flat. It even  
overlooked a park. They kept raising  
the rent, though. The new flat's much  
smaller. The good thing is it's closer  
to my office and it's in a quieter  
neighbourhood, too. I guess I'll get  
used to it.  
Mark

Why is Mark moving?

- A** To be closer to work.
- B** To save money.
- C** To change his neighbourhood.

<b>A</b>	<input type="checkbox"/>
<b>B</b>	<input type="checkbox"/>
<b>C</b>	<input type="checkbox"/>

**8** Hey Marion  
Don't forget we're going out together after  
school today. I finish an hour earlier than  
you and I'll just run home to meet my sister,  
who's forgotten her keys. Then I'll be back  
to pick you up and we can go see a movie  
at the mall and maybe grab a bite later.  
Jake

Where is Jake meeting Marion?

- A** At school.
- B** At home.

I saw the film *Save It for Tomorrow* last night with Susan and Myra. It's one of those romantic dramas whose ending you know from the start. You know how that irritates me. I couldn't complain, though, because of the girls. They were crying their eyes out.

### Task 3

#### Questions 11-15

Read about Mariah Dionne.

For questions **11-15**, complete the form with **one** word in each space.

Write your answer **only** here in this exam booklet.

There is an example at the beginning (**0**).

#### Mariah Dionne – food stylist

Mariah Dionne has been working as a food stylist for 11 years. It all started with her hobby of taking food photographs while she was studying Criminology at the University of Toronto, in her home town.

Mariah's mum, a successful Canadian painter, had high hopes for her only child. She wanted her to become an artist like herself. But Mariah decided to become a food stylist. "A food stylist is an artist of their own," says Mariah. "Anytime you're presenting food, you have to start with the idea that you need good composition, good textures and colours, so there are always all of these elements of art," says this Vancouver-based food stylist.

It is a difficult task to break into the food styling industry, so it was not easy to succeed. She had to knock on doors, make phone calls and show up personally just to get a job. It was even more difficult being a single working mum of 12-year-old twins. However, their father, Peter (35), who now lives in Ottawa, spends his weekends with them.

"Our marriage just didn't work," says Mariah. "We were only 21, probably too young. Although we divorced in the end, we stayed good friends. He will be at my wedding next month in Montreal. I feel at 35 I'm ready for a romantic relationship."

It hasn't been easy for Mariah, but now she is a successful food stylist who works for celebrity chefs and top cooking magazines.
