### Task 3

#### Questions 11-15

Read about Amber Searl.

For questions **11-15**, complete the form with **one** or **two** words in each space.

Write your answer **only** here in this exam booklet.

There is an example at the beginning (**0**).

#### Amber Searl – Skateboarder

When Amber Searl was 9 years old, she was watching *The Simpsons* and saw Bart Simpson riding his green skateboard in the opening to the show. "That's what inspired me to take up skateboarding," she says.

She is a natural sportsperson. While growing up in the Garston area of Watford, she regularly played football on boys' teams. She also did gymnastics, and she credits her skateboarding skill and fast progression to being good at it. Her skateboarding mates even called her 'Jimmy', short for 'gymnastics', and her old friends still do.

Amber skates every evening and at weekends with her friend 'Speedy'. As soon as she finishes her job as a sales assistant in a local sports shop, she's on her board and skating through the streets or in the skate park on half-pipes. "I love skateboarding. It helps me to be me. It's how I feel free."

Amber has won regional competitions and is now going to the national championship. "But we're not really competing against each other. We're just doing our own thing together." At local competitions, she wears a T-shirt with Morton, the name of the sports shop where she works, on it. "They give me free gear, like Croft Boards, and time off before competitions," she explains.

Will she turn professional? "I don't know. But I don't see skateboarding as a career. I must say I'd love to be an astronaut and do space walks. But, until then, I might stay where I am."
