### Task 3

#### Questions 11-15

Read about Leona Wilkinson.

For questions **11-15**, complete the form with **one** or **two** words in each space.

Write your answer **only** here in this exam booklet.

There is an example at the beginning (**0**).

#### Meet Leona Wilkinson

Do you water your flowers regularly, but they die anyway? Your problem has been solved. Leona Wilkinson has published a book called *Gardening for Dummies*.

I interviewed Leona, Lennie to her friends and family, at the Royal Ballet Studio in London. She is currently working on her new role in *Swan Lake*. "A lot of people seemed rather surprised when my book came out," she says. "But ballet can be quite demanding and at 24, when I started getting more serious roles, I realised I needed something to get rid of the stress. I tried the usual things: drawing, pottery, knitting and then I remembered what my granddad once told me. He believed that flowers are our true friends in joy or sadness. And it works for me."

Because her father was a journalist, the family moved a lot. When Leona was six years old, her parents decided to send her back to England. They wanted her to get a proper education and take ballet classes.

"I came to live with my grandparents. They had a beautiful house in Devon. It was surrounded by a big garden." Leona's grandfather was a keen gardener. "He taught me everything about various kinds of flowers, especially tulips – his favourites, but I've always liked roses best."

Leona's book on gardening has reached the best-seller list. At the age of 27, she is not only a successful ballet dancer with the Royal Ballet but also a successful author. Has Leona found a new hobby? Who knows?
