## Task 3 Questions 11-15

Read the text below.  
For questions 11-15, write **one** or **two** words, or a number.  
Write your answers on the lines **below** the text.  
There is an example at the beginning (0).

### Home Alone?

Former model Sam Home, 25, looked warm in a grey jumper with red trim, dark blue jeans and Christian Louboutin knee-high boots as she was seen shopping in Knightsbridge. But she was not wearing the sparkling diamond ring that soap star Terry Prince had given her last October.

Sam looks as fabulous as ever. How does she do it? "I eat lots of fruit, which I adore, and several types of vegetable a day," she said. "I eat meat once a week, which I look forward to, but nothing can beat a pizza. But I'm not a diet fanatic. I'm glad that I don't have to keep my weight at fifty kilos any longer. At sixty, maybe I'm a bit overweight now. Fifty-eight is right for my height, but I don't really care any longer."

If you want to know anything about nutrition, Sam is the person to ask. After all, she has a degree in it. But she plans to study marketing at South Bank University. "I am working in a communications agency as a secretary, but the work I can do is limited. With a degree in marketing, I'll be able to have a job as a manager."

"I get to work at eight and never leave before seven in the evening. So I spend my weekends doing chores, and if I have any time left over I read. And I watch television to send me to sleep."

Asked about Terry Prince, Sam said "No comment." It seems Sam has no time for a romantic relationship these days.

### Questions 16-20

Read the text below.

For questions **16-20**, choose from **A-F** to complete the sentences.

There is **one** letter that you do **not** need.

Mark your answer on the answer sheet.

There is an example at the beginning **(0)**.

### Liars

Can you spot a liar? Unfortunately, liars are deceptive so we must find a way to identify **(0)** \_\_\_\_.

When people lie to you, you get the feeling that something is not right. This is your first and best sign **(16)** \_\_\_\_\_. But also, there are some body language clues that will help you.

Liars blink less frequently, as if they need to keep their eyes open and on you **(17)** \_\_\_\_\_. They either don't look you in the eye for too long, or they do much longer than usual.

They touch their face and mouth a lot, and most liars can't control it **(18)** \_\_\_\_\_. It is a reflexive reaction.

Liars tend to get defensive **(19)** \_\_\_\_\_. If you ask an innocent question like, "where did it happen again?" they may get angry or irritated.

So, take a closer look at their body language to get the idea of **(20)** \_\_\_\_\_. Lying will make them uneasy and it'll come out in their body language.
