For questions 16-20, choose from **A-F** to complete the sentences.

There is **one** letter that you do **not** need. Mark your answer on the answer sheet.

There is an example at the beginning (0).

### Lies

Everybody lies. It may only be “white” lies, but everyone tells lies or (0) \_\_\_\_\_ sometimes. Yet, there are liars and there are *liars*.

As we grow up, we learn (16) \_\_\_\_\_. We start lying at the age of 4 or 5. This first lying is not a mean act, but rather an attempt to find out what can be manipulated in a child’s environment. Eventually children begin to use lying to avoid trouble or to get something they want. White lies are not a big deal at all. And we can all give personal examples of (17) \_\_\_\_\_.

The people, however, who feel the need to lie about both the small and large stuff (18) \_\_\_\_\_. We often call these pathological liars. They lie to protect themselves, to look good, to gain financially or socially (19) \_\_\_\_\_.

The worst group are those who lie a lot for personal benefit on purpose. These people, also known as sociopaths, often get into trouble with the law. It is very difficult to help them as they deny (20) \_\_\_\_\_. Yet, modern psychotherapy performs miracles.

- A** telling a white lie at least once
- B** having a problem
- C** and to avoid punishment
- D** to understand the use and power of language
- E** have a problem
- F** testing social rules
- G** “omits the truth”

For questions **21-25**, choose the answer (**A**, **B**, or **C**) which best completes each sentence.

Mark your answer on the answer sheet.

There is an example at the beginning (**0**).

### Calligraphy

Calligraphy is an art that just about anyone can do. All that you need is a pen and paper, and you're (**0**) \_\_\_\_\_ to do calligraphy. Indeed, it requires very few materials and, (**21**) \_\_\_\_\_ you can write anyway, you already know the basics!

In calligraphy, patience and attention (**22**) \_\_\_\_\_ detail are more important than artistic talent. This means you don't have to be an artist to be good at calligraphy. Calligraphy is a whole lot of fun and can be (**23**) \_\_\_\_\_ by young and old alike. There are some wonderfully gifted calligraphers (**24**) \_\_\_\_\_ work can inspire us. However, no one should ever conclude that there is no (**25**) \_\_\_\_\_ for amateurs. It is one of the most enjoyable skills that a person can acquire.

Remember, in the end, we are obliged to please just one critic – ourselves. You'll have the opportunity to use your calligraphy skills every time you write!
