6 Hi Zayn,

Thanks for inviting me to your party on Saturday. I was just wondering how to get there since I've never been. Is it far away from the city centre, where we usually meet before we go out? I'm coming directly after a birthday party held at my family's restaurant, so someone can drive me to your place.

Liam

Where is Zayn having his party?

- A** At the family restaurant.
- B** In the city centre.
- C** At his home.

7 Hi Taylor,

My mum has just agreed to let me go to the concert tomorrow. But I have a curfew and need to be home by 11 pm. Instead of walking there and back home, which could take us ninety minutes, I've asked my dad to drive us. So we'll only need an hour to get to and from the concert.

Selena

How much time will Selena and Taylor spend getting to the concert?

- A** Thirty minutes.
- B** Sixty minutes.
- C** Ninety minutes.

8 Hi Bella,

I went to see that new blockbuster at the Cineplex last night. Although the online critics rated it very poorly and described it as dull, I remembered that you found it entertaining. Since we usually like similar films, I thought it would be at least action-packed. After watching it, I think I'll have to side with the critics this time.

Hailey

What did Hailey think of the film?

- A** It was boring.
- B** It was amusing.
- C** It was dramatic.

9 Hi Addison,

The try-outs for the basketball team start tomorrow at 9 o'clock at the school gym. The coach said we should be there any time from 8.15 to warm up. I'll be there about a quarter of an hour before the start since I'm walking to school and I won't need that long to warm up. What time are you planning on getting there?

Charli

What time will Charli start warming up at school before the try-outs?

- A** At 8.15.
- B** At 8.45.
- C** At 9.00.

10 Hi Zach,

I'm preparing for our trip and I wanted to ask you if we could make a little detour on Friday and stop in Reading to see my family there. It's not that far from Oxford and our scheduled university tour doesn't start until Saturday at 1 pm. On our way back on Sunday, we could also stop at that designer outlet centre in Swindon to do some shopping.

Loren

Why are Loren and Zach going on their road trip?

- A** To visit Loren's family in Reading.
- B** To do some shopping in Swindon.
- C** To look around a university in Oxford.

Task 3

Questions 11-15

Read the text below.

For each question (11-15), choose the correct answer (A, B or C).

Mark your answer on the answer sheet.

Heyside Hall

Of all the big houses in the east of Bastshire, Heyside Hall is agreed to be the most eye-catching. It was ordered by Sir Nathaniel Curran-Jones as a wedding gift at the request of his fiancée Penelope on his return from India in 1826. Completed five years after the marriage ceremony in 1831, the hall was designed by the famous architect David Welby. Construction was carried out by John Platt and overseen by Sir Nathaniel's best friend Tom Smith.

The large town of Baschester is quickly reached by the main London to Ipswich road, the journey taking half an hour by bus. However, the market towns of Epwick and Bailden are closer: the first ten minutes away and the second about twenty. Bailden is home to the famous annual cheese-rolling competition on St Swithin's Day.

Most big houses in this part of the county are built in the neo-Classical style, particularly evident in the garden designs on display at Birtsley House and Longside Palace. On the other hand, many of those built after Georgian times, such as Heyside Hall, show the neo-Gothic style popular in the country at the time.

There has always been some debate as to the building in the county with the most windows. For many years, Longside Palace had that status, after many of the 590 windows of Birtsley were destroyed during the Civil War. It is said that the youthful George III calculated the exact number to be 550. Sir Nathaniel supposedly commanded David Welby to go over that total, and with twenty more windows (some impossible to clean!), Heyside Hall broke the record.

11 In what year was the construction of Heyside Hall finished?

- A** 1826.
- B** 1831.
- C** 1836.

12 Who performed the building work?

- A** John Platt.
- B** Tom Smith.
- C** David Welby.

- 13** What is the nearest town to Heyside Hall?
- A** Epwick.
 - B** Bailden.
 - C** Baschester.
- 14** In what style of architecture is Heyside Hall built?
- A** Georgian.
 - B** Neo-Gothic.
 - C** Neo-Classical.
- 15** How many windows does Heyside Hall have?
- A** 550.
 - B** 570.
 - C** 590.
