Write an essay of **200-250** words.

Your essay must have an introduction, body and conclusion.

Some say living in a private apartment or house while studying is ideal.

Others think that living in university accommodation is a better choice.

Discuss both of these views and give your own opinion.

Esej obvezatno napišite na list za čistopis.

**Ako pogriješite u pisanju, pogreške stavite u zagrade,
precrtajte ih i stavite paraf (isključivo skraćeni potpis, a ne puno ime i prezime).**
