Write an essay of **200-250** words.

Your essay must have an introduction, body and conclusion.

Some people say being anonymous online has numerous benefits.

Others argue it encourages irresponsible behaviour.

Discuss both of these views and give your own opinion.

Esej obvezatno napišite na list za čistopis.

**Ako pogriješite u pisanju, pogreške stavite u zagrade,
precrtajte ih i stavite paraf (isključivo skraćeni potpis, a ne puno ime i prezime).**
